Dear Mrs. Manley:

I have your letter of March 2nd.

There is nothing on the schedule that says the Newark Eagles are to play the Bay Parkway Club on April 26th. In fact on the way home from Philadelphia Saturday, Abe mentioned that he may get in touch with me in reference to this date. I explained to him that in the past most of the clubs didn't officially open their doubleheader season until May and that the Bay Parkway Club usually brought in a lighter team for that Sunday. Furthermore, that I didn't expect to see the Bay Parkway management for about a week or ten days and that I could not tell him anything definite. If I cannot work out something at that field I'll see if it is possible to get something else for the Eagles.

I doubt very much whether there will be any twilight ball around here from April 26th until May 3rd. Very few twilight games are played in this Metropolitan Area. If anyone does start to play it won't be until sometime around the middle of May.

I'll keep all these dates in mind and if I can do anything for you in the Metropolitan Area or in Connecticut or Massachusetts you can be sure that I'll book every game that I can for the Eagles.

While the Bushwicks have not set a definite date for their opening night schedule I imagine it will be sometime around the first or second week in June.

Very truly yours,

W. A. Leuschner
